

Quality certificate No. w/o No. 2 dated 10.10.2025

**FOOD SOYBEAN LECITHIN  
(PHOSPHATIDE CONCENTRATE), SKH-1 GRADE**

Legal Address of Company: <b>Daralex Agro SRL</b> CUI 50228928	Customer:
Date of loading: _____ Accompanying document INVOICE №: Product: <b>Food Soybean Lecithin (phosphatide concentrate)</b>	Lot № Net weight: Gross weight:
Grade: <input type="checkbox"/> Superior 1-st <input type="checkbox"/> 2-nd	Warranty period of storage (providing the proper storage and transportation rules): 2 years
Packing Type: <input type="checkbox"/> in railway tank wagon №: _____ <input type="checkbox"/> in flexi-tank №: <input checked="" type="checkbox"/> in tanker truck №:	

**Physico-Chemical Parameters of Product – SOYBEAN PHOSPHATIDE CONCENTRATE**

Parameters	Result
Color value, mg of iodine	8,00
Mass fraction of moisture and volatiles, %	0,55
Mass fraction of phosphatides, %	68,96
Mass fraction of oil, %	29,29
Peroxide value, mmol/kg 1/2O	4,5
Mass fraction of substances, insoluble in ethyl ether, %	1,5
Acid value of oil, extracted from the concentrate, mgKOH/g	9,0

**Appearance of Product**

Consistency: Liquid mass.  
The odor and taste: Low odor, odor and taste typical of phosphatides

**Safety indicators:** the content of pesticides, radionuclides, toxic elements, mycotoxins does not exceed the standards established by SOU 15.4-37-212:2004. Research protocol No. 222/12 -20X dated 29.12. 2020.

We, "Daralex Agro" SRL, confirm that the product meets the requirements of SOU 15.437212:2004 "Phosphatide concentrates. Technical specifications" and can be delivered to the Customer's address.
